IMPORTANT NOTES FOR ALL BIDDERS

We would expect that the wise buyer will submit numerous bids, all at levels commensurate with his idea of the value of each lot. On items that he really wants badly, the serious bidder will bid well above the top estimate, recognizing that his bid will be reduced to 10% above the second highest bid, but also realizing that he may be in competition with other seriously interested bidders.

In those sections which show a price range for an estimate, the low figure represents a wholesale evaluation, while the high figure indicates what a serious specialist would gladly pay for the lot. Bids less than the lower of the two figures will most likely be unsuccessful; bids above the higher figure will most likely be successful and will most likely be reduced as outlined above (see also paragraph 2 of TERMS OF SALE).

In those sections where only one estimate is given, in some instances with a plus mark, these estimates represent what we believe to be a fair wholesale price and/or the reserve. In many cases these single estimates represent our own cost value. In nearly all cases, bids below these estimates will not be accepted. Generally speaking, our estimates should serve as useful guides, but all bidders should use their own knowledge and experience as the final tools to determine their bids.

We make the following suggestions to all bidders:

(1) Bid what you wish on each item, but keep the estimate and reserve prices in mind lest you waste your opportunity to acquire an item you particularly desire.

(2) Bid the maximum bid you would pay for the lot, recognizing that if your bid is high, relative to other bids, your bid will be reduced in accordance with paragraph 2 of TERMS OF SALE.

At the conclusion of the listing of all lots we have observed that many of our estimates in the paper money section as well as the gold section, may be considered low and are expected to realize prices at above our estimates. We make this observation based on the increased interest in paper money and the ever-increasing interest in gold. So also, all rare numismatic items are finally being recognized as such and are finding their ranks in value.

Requests for additional information, confirmation of the grade, date, mint mark, etc., of any particular items, or any similar individual questions are welcome and will be answered as promptly as possible.

An asterisk (*) before the lot number indicates that the actual lot offered for sale is photographed and can be found in the PLATE SECTION.

TERMS OF SALE

1. This is a mail bid sale. All mail bids must be received at our place of business not later than 11:00 p.m. Central Daylight Time, December 1, 1976. The highest mail bid for each lot will buy it. The highest mail bid on each lot may be reduced to just above the second highest mail bid (see item 2). On this basis it should be obvious that mail bidders should bid generously, if they are desirous of obtaining any particular lot or lots.

2. Terms of reduction: (a) No reduction will apply to bids of $10.00 or less. (b) On bids of $10.01 and up, the highest bid will be reduced to 10% over the second highest bid. For example, if your bid on Lot #100 is $70.00 and the second highest bid is $50.00, you will obtain the lot for $55.00 (or $50.00 + 10%). However, if your bid is $70.00 and the second highest bid is $65.00 then no reduction will apply as 10% over the second highest bid will be $71.50. When reductions apply, amounts will be rounded off to the nearest half dollar.

3. An estimate is given for most lots. These estimates simply represent the owner's idea of the value of the item or our professional opinion as to what each lot is worth. THEY ARE ONLY ESTIMATES AND YOU CAN BID HIGHER OR LOWER AT YOUR DISCRETION. To further clarify this, please read the "Notes to Bidders". We recommend that if you seriously want a lot, you should bid close to or over the estimate given herein.

4. All bids are to be made by LOT NUMBER as listed in this catalog. (Please make sure that your bids are legible.) Bids should be made only in United States Funds. In case of tie bids, preference will be given to the bid with the earliest postmark.

5. Lots will be sent on open account only to customers who have established credit with us. New accounts must furnish satisfactory credit references and/or include a 20% deposit. New accounts requesting shipment to a post office box or to general delivery must also furnish their home or business address. Bidders who have not established credit with us will be invoiced for their successful bids; lots will be sent upon receipt of payment.

6. All successful bids must be honored in U. S. funds immediately upon receipt of the lots or the invoice. This is absolutely necessary so that consignors can be reimbursed. Special arrangements for payment are possible if the amount involved warrants such treatment. If this is necessary, please request it BEFORE the auction, not after.

7. BankAmericard, Mastercharge, or American Express may be used to pay for successful bids provided the purchaser agrees to pay the service charge billed to us by our bank on such transactions (3% on BankAmericard, 4% on Mastercharge, and 5% on American Express. Foreign bidders should make payment by International Bank or Postal Money Orders or drafts payable in New York. Bidders making payment by bank drafts drawn on a foreign bank, please add U.S.$2.00 as this is the minimum bank service charge charged to our account.

8. Postage and insurance or registration fees will be added to all invoices. Foreign bidders will be charged 1% of the total value to partially cover insurance fees, and our insurer will be responsible for any losses. Foreign bidders should advise if special shipping instructions are necessary.

9. 5% sales tax will be added to all San Antonio purchases. 4% sales tax will be added to all lots mailed to Texas addresses outside San Antonio.

10. Auction sales ARE NOT approval sales. Upon submitting bids you agree to abide by the "Terms of Sale". Experts have described all lots; any errors made by them will be gladly corrected. Likewise, you are responsible for any errors you make. Returns can only be made with our written approval; request for such must be made within ten (10) days of dispatch of lots by us.

11. Title to all lots will remain with the cataloguer until payment in full is received. All items are guaranteed to be authentic (unless otherwise indicated) and to be as listed. Furthermore, the cataloguer reserves the right to accept or reject any or all bids at his discretion.

12. All lots in this auction will be available for inspection by appointment only prior to November 30, 1976.

TERMINOS DE VENTA

1. Este es un remate por correo. Todas las apuestas (o pujas) tendrán que ser recibidas en nuestro lugar de negocio no después de las 11:00 p.m. hora de San Antonio, Texas, del día 1° de diciembre de 1976. La apuesta más alta para cada lote es la que comprará dicho lote. La apuesta más alta podrá ser reducida hasta el punto de ser un poco más que la segunda apuesta más alta (ver artículo 2). Sobre estas bases, es obvio que los compradores deberán hacer apuestas generosas, si están deseosos de obtener cualquiera de los lotes en particular.

2. Términos de reducción: (a) No se aplicará ninguna reducción en apuestas de $10.00 ó menos. (b) Sobre las apuestas de $10.01 en adelante, la más alta será reducida hasta el 10% sobre la segunda apuesta más alta. Por ejemplo, si su apuesta en el lote #100 es de $70.00 y la segunda más alta es de $50.00, usted obtendrá el lote por $55.00 (o sea $50.00 + 10%). Sin embargo, si su apuesta es de $70.00 y la segunda más alta es de $65.00, entonces ninguna reducción será aplicada, ya que si añadimos el 10% a la segunda apuesta más alta, el lote llegaría a costar $71.50. Cuando las reducciones sean aplicables, la cantidad será redondeada al próximo medio dólar.

3. Se ha estimado un precio para la mayoría de los lotes. Estos precios estimados simplemente representan la idea que el dueño tiene sobre el valor del artículo, ó nuestra opinión profesional de valor del lote. ACLARAMOS QUE SON SOLAMENTE PRECIOS ESTIMADOS Y QUE USTED PUEDE APOSTAR MAS ALTO O MAS BAJO SEGUN SU PROPIO CRITERIO. Para aclarar este punto, por favor lea los precedentes artículos. Recomendamos que si usted está seriamente interesado en un lote, lo mejor será que apueste cerca ó más del precio estimado en este catálogo.

4. Todas las apuestas indicarán el número del lote como aparecen en este catálogo. (Por favor, cerciórese que sus apuestas sean legibles.) Apuestas serán hechas sólo en dólares Estado Unidenses. En caso de empate en una apuesta, preferencia se le dará a la apuesta que es recibida primero.

5. Los lotes serán enviados a crédito solamente a clientes que tienen crédito establecido con nosotros. Nuevas cuentas tendrán que proveer referencias de crédito satisfactorias y preferible 20% de depósito. Cuentas nuevas que soliciten los envíos a Casillas Postales, deberán proveer también sus direcciones domiciliarias o de su negocio. A los compradores que no han establecido crédito con nosotros se les enviará la factura correspondiente por lotes que han ganado y se les enviará la mercadería al recibir el pago.

6. Todas las apuestas ganadoras tendrán que ser pagadas por medio de giro o cheque pagable en los Estados Unidos o en efectivo inmediatamente al recibir los lotes o factura. Acuerdos especiales para hacer pagos son posibles si la cantidad apostada merece tal trato. Si esto es necesario, por favor, pídalo ANTES de que se cierre la subasta, no después.

7. Tarjetas de crédito; BankAmericard, Mastercharge o American Express, se pueden usar para hacer pagos, pero el apostador tiene que pagar el servicio de cargos facturados a nosotros por esas compañías en tales transacciones (3% en BankAmericard, 4% en MasterCharge y 5% en American Express. Nuestros clientes fuera de los Estados Unidos además pueden pagar por giros Internacionales de Bancos ú otra forma previa y mutuamente acordada antes de cerrar la subasta.

8. Cargos de seguro o certificación de los envíos se le agregarán a todas las facturas. Apostadores deben de indicarnos si existen instrucciones especiales de despacho. Apostadores fuera de los Estados Unidos pagarán el cargo de 1% del valor total para cubrir parcialmente los gastos de seguro y nuestra compañía de seguros sea responsable por cualquier perdida.

9. No es aplicable a nuestros clientes en el extranjero.

10. Las ventas en los remates no son ventas aprobadas por el cliente cuando él recibe la mercadería, sino que cuando el cliente somete su apuesta, él entra en un acuerdo para comprar la mercadería. Cuando el cliente apuesta, él indica que es á de acuerdo con los términos de venta de este remate. Todos los lotes han sido descritos por expertos en la materia; si algún error ha sido cometido por ellos, nosotros estaremos complacidos en corregirlo. En igual forma, usted se hace responsable de cualquier error cometido por su

VERKAUFS-BEDINGUNGEN

1. Dies ist ein Versandt - Angebot - Verkauf. Alle Versandtangebote dürfen nicht später als 23.00 Uhr Ortszeit am 1. Dezember 1976 hier in unserem Büro eintreffen. Das höchste Angebot für den jeweilige Posten erhält es. Das höchste Angebot für den jeweiligen Posten kann herabgesetzt werden, so daß es gerade über dem 2. höchsten Angebot liegt (siehe 2. Absatz). Es dürfte einleuchtend sein, daß auf diese Weise der Bietende ein großzügiges Gebot macht, wenn er den (die) gewünschten Posten bekommen möchte.

2. Bedingungen zum Preisnachlaß: (a) Kein Preisnachlaß für Gebote von $10.00 oder weniger. (b) An Geboten $10.01 & höher, das Höchstgebot wird auf einen Preis,der 10% über dem 2. höchsten Angebot liegt herabgesetzt; z.B. wenn Sie für Posten #100 $70.00 bieten & das 2. höchste Angebot $50.00 ist, so werden Sie den Posten für $55.00 (oder $50.00 + 10%) erhalten. Jedoch, wenn Sie $70.00 bieten & das 2. Angebot $65.00 beträgt wird kein Nachlaß gewährt, da 10% über dem 2. Angebot $71.50 ist. Wenn Nachlaß gewährt wird, so wird der Betrag zum nächsten halben Dollar aufgerundet.

3. Ein Voranschlag ist für die meisten Posten gegeben. Diese Voranschläge bezeichnen einfach den vom Eigentümer eingeschätzten Wert, oder unsere berufsmäßige Ansicht über den Wert des jeweiligen Postens. Dies sind nur Vorschläge & Sie können höher oder niedriger bieten, ganz nach Ihrem Belieben. Um es besser zu (er)klären, lesen Sie bitte "Anmerkungen für Gebote". Wir empfehlen, wenn Sie den Posten wirklich möchten, sollten Sie dicht an den Voranschlag oder darüber bieten.

4. Alle Gebote sollen nach den Posten - nummern, wie im Katalog verzeichnet, gemacht werden. (Bitte vergewissern Sie sich, daß Ihre Gebote leserlich sind.) Gebote sollten nur in U.S. Währung gemacht werden. Im Falle eines gleichen Angebotes bestimmt der Poststempel.

5. Posten werden mit einer offenstehenden Rechnung an Kunden, die einen guten Kredit mit uns haben versandt. Neue Kunden müssen ausreichende Kreditempfehlungen haben oder und einschließlich 20% Anzahlung machen. Neue Kunden, die Versandt an eine Schließfachadresse wünschen müssen auch Ihre Heimat- oder Büroadresse angeben. Kunden, die noch keinen Kredit bei uns eingerichted haben, bekommen eine Warenrechnung für Ihre erfolgreichen Gebote zugesandt. Die Posten werden nach Erhalt der Zahlung versandt.

6. Alle erfolgreichen Gebote müssen sofort nach Erhalt in U.S. Währung beglichen werden. Dies ist sehr wichtig, so daß Konsignatoren ausgezahlt werden können. Spezielle Vereinbarungen zur Zahlung sind möglich, wenn der Betrag eine solche Behandlung rechtfertigt. Wenn das notwendig ist, bitte ersuchen Sie darum VOR der Auktion, nicht danach.

7. BankAmericard, MasterCharge oder American Express können zur Zahlung verwendet werden, vorausgesetzt der Kunde ist einverstanden die Servicekosten, die uns unsere Bank bei einem solchen Geschäft verrechnet (3% bei BankAmericard, 4% bei MasterCharge & 5% bei American Express) zu tragen. Ausländische Kunden werden gebeten Ihre Zahlungen durch eine internationale Bank, mit Zahlkarte oder Tratte zahlbar in New York zu begleichen. Kunden die mit einem an eine ausländische Bank gezogenen Wechsel zahlen, möchten bitte US.$2.00 dazurechnen, da dies die Mindestkosten sind, die uns von unserer Bank verrechnet werden.

8. Porto & Versicherung oder Anmeldegebühren werden bei allen Rechnungen dazugerechnet. Ausländischen Kunden wird 1% vom Gesamtwert verrechnet, um die Versicherunskosten teilweise zu decken und unsere Versicherung wird für etwaige Verluste haftbar sein. Ausländische Kunden sollten uns mitteilen, wenn spezielle Versandtinstruktionen von Nöten sind.

9. 5% Steuer wird bei allen Ankäufen in San Antonio dazugezogen. 4% Steuern werden bei allen Ankäufen in Texas, außerhalb von San Antonio dazugezogen.

10. Auktionsverkäufe sind keine Bestätigungsverkäufe. Bei Einreichung von Geboten erklären Sie sich mit den Verkaufsbestimmungen einverstanden. Die Posten sind von Experten beschrieben, irgend welche Fehler, die Ihnen unterlaufen sind werden gerne berichtigt. Gleichfalls ist man für die Fehler, die man macht verantwortlich. Rückgaben können nur mit unserer geschriebenen Bestätigung gemacht werden; Gesuche müssen innerhalb von zehn (10) Tagen, nach versandt der Ware gemacht werden.

*387	-One Peso, COQUIMBO, 1828T.H. Value in wreath above volcano. Rev: Column surmounted by star and banner. Elizondo No. 98. This issue from the short-lived Coquimbo Mint is of the utmost rarity. In actual fact, it is one of the rarest of Latin American crowns and informed authorities estimate that only about five pieces exist. A verbal barrage would not increase the value of the coin and the discriminating collector will not hesitate to bid $8,000 to $12,500 for the piece. The cataloguer personally grades the coin as AU, but the excellent photographs (including two enlargements) in the plate section will allow the prospective bidders to make their own objective judgment as to the condition of this coin. A rare opportunity to acquire the piece that is missing from most major Latin American collections. RRR				-----

*418	-Costa Rica "Star" counterstamp on Lima 8 Reales 1772JM, Carolus III. This unlisted and extremely rare piece is the first that we have been fortunate enough to handle. The piece is of major importance inasmuch as it is without the concomitant hole which is normally found, in addition to being completely unlisted of course. For example, Gurdian only mentions one specimen that he is aware of without the hole. The hole of course, (in the aggregate) was extremely important economically to the Carrillo government; and therefore, the few pieces that escaped are extremely rare. It has been examined by several leading authorities who unanimously agreed that the piece is legitimate. Other than slight damage sustained on the reverse of the counterstamp, the coin is EF for issue with an attractive light toning. One could easily say that the counterstamp is just about as struck. All in all, a rare opportunity to acquire an extremely rare, probably unique piece. To be listed as new type in Elizondo revision. RRR				1500.00

COB COINAGE OF THE AMERICAS

We are calling your attention to this extensive offering of cobs including many choice and rare types.

NB: All references, Vicenti, Castán & Cayón, etc., list the 1/2 Reales as having dates and assayers. Actually, only a few of the very early Potosí issues, under Felipe IV, show an assayer, an E on the reverse. This is encountered quite rarely. The only other instance in which we have been able to verify an assayer's initial on the 1/2 Real cobs is on Lima pieces from the period of about 1725-1750. The balance of the series carries neither mintmark nor assayer. Therefore, one has to rely on the style of the striking for identification of practically all of these pieces, with Potosí generally being much cruder in design than Lima. We understand that a very detailed study will be published in the near future on this extensive but often mis-represented series. Coins are cataloged by Vicenti(V), and Castán & Cayón(C-C).

FRANCE

This group of French medals represents the nicest find of a group from any modern Euopean country that we have seen in the last several years. Over forty pieces are included of which forty were purchased by a man who served as a Colonel in the American Expeditionary force in 1917. All of them were purchased by him while he was still in France and were even wrapped in the original tissue paper when they first fell into our hands. The condition of all is superlative. Grading has been maintained at a level where there can be absolutely no question as to its accuracy. Au's show just the lightest wear on the primary wear points. UNC's are just that and nothing less. Estimating this series proved to be a severe stumbling block for us so we just left them without estimates. Certainly a few of the pieces will fall for as low as $10.00 or so but several of the massive (some weighing as much as 5 ounces) silver pieces could move into the three figure bracket with no problem. At any rate the consignor has placed no reserve on the series and we hope that each and every interested person will bid exactly what he feels tha piece is worth to him. An offering like this will not be repeated and it behooves all of those interested in medals to try to have at least one piece from this fine group in his personal collection. It should also be noted that several topical medals are included which should be of interest to those who have no particular interest in France as such.
